Dear John:

Longacres has been very appreciative of your participation and support by your advertising efforts in the racing program and while we have just completed a successful 1988 season we're in the planning stage for 1989.

We hope that you will again consider advertising with us as in the past and to reserve your spot for 1989, please return the completed form that is enclosed by November 30th.

Thank you.

Sincerely,

Al Rossi, Director
